

**8 ChatGPT
prompts
to help
land a
new job**

Practice salary negotiation role-play

Role-play a salary negotiation with me. Act as the hiring manager and respond in real-time. Provide feedback on my responses. [try Voice mode!]

Does this look OK?

Analyze this screenshot of myself as shown within a video call. What changes do you recommend to my physical space, technical setup, and appearance to be prepared for a job interview?

Screenshot.jpg

Evaluate public job postings

Search public job postings for [role] jobs in [City] and tell me which postings align with my background. Summarize the top three.

Tailor resume to a job description

Compare my resume with this job description for a [role].
Identify gaps and suggest tailored bullet points and
keywords to improve alignment.
